# TALKING POINTS FOR DREAMCHILL™ ENHANCED BAMBOO™

**Patented No-Slip Corner Bands**  
Enhanced with silicone, our patented 1.5" corner bands provide the most secure fit on your bed, allowing you to never have to worry about the corner coming off in the middle of the night.

20x stronger than industry standard elastic.

**FirstFit Corner Bands**  
Our FirstFit corner bands are color coded bands that easily help you identify the head and the foot of the sheet, allowing you to NEVER have to worry about putting your fitted sheet on sideways. (You're welcome.)

**DreamFit 360 Elastic**  
Our DreamFit 360 elastic around the bottom of the fitted sheet allows for a more tailored and secure fit.

**Extra Wide Luxury Sizing**  
Our extra-long, extra wide luxury sizing enhances sleeping comfort allowing for a relaxed fit and plenty of length on your flat sheet to tuck in.

Moisture-managing qualities and anti-microbial properties of bamboo viscose used in this sheet set.

Bamboo sheets can provide a comfortable and cooling sleeping experience due to their breathability, moisture-wicking capabilities, and soft texture.

### Fun Fact:

Bamboo is a sustainable resource that grows quickly and regenerates between harvests without the use of pesticides. Requiring less water than cotton, bamboo absorbs approximately five times more carbon dioxide and produces more oxygen than an equivalent area of trees.
